# BALI THAI RESTAURANT

Established since 1998

#B1 – 37/39, Suntec City Mall, 3 Temasek Boulevard Tel: 6338 2066

**W**ith Bangkok to the north, and Bali to the south, indecisive diners can now find both flavours from the same kitchen at Bali Thai. A well padded menu selection allows the robust flavours of barbecued items such as dense satay and Ikan Bakar Bali (charcoal grilled fish with sweet sauce), as well as basil-infused Tom Yum Goong to shine through. With prices mostly in the single and low double digits, a veritable family feast is easily within reach in this no-frills ethnic restaurant setting served by pleasant waitstaff. Of special mention and worth waiting for is the Thai-styled Prawn Tanghoon Claypot, a marvelous tureen of silky transparent vermicelli that is well pervaded with the briny prawn broth. Tahu Telor sprinkled with vegetable julienne is also impressive, with its crisp, non-oily texture and dark shrimp paste.

**WINE:** Being entirely *halal*, the restaurant doesn't serve alcohol.
