BAYANG AT THE QUAY

Established since 2006

#01 – 05 Blk 3A The Cannery, Clarke Quay, River Valley Road Tel: 6337 0144

With its warm Balinese-style interior and seductive shadow puppet motifs laid out on the walls of Bayang, the restaurant seems to combine the wholesomeness of Indonesian food with the sophistication of a fine dining outlet. The menu takes a slight Balinese slant, with the exotic island's famous dishes, such as Bebek Betutu (roast duck in banana leaves) and Grilled Fish dressed in a mixture of palm sugar and sweet soy sauce. The rest of the menu is a mishmash of Indonesian favourites, such as Tahu Telur, Oxtail Soup and Grilled Chicken. The Egg Plant doused in a sweetish tomato and kicap manis sauce stands out.

WINE: Quite an impressive wine list for an Indonesian restaurant. Two whites and two reds are available by the glass.
