AUTHENTIC THAI

Renn Thai (which means “traditional Thai home”) has relocated from its Ngee Ann City outlet to Suntec City. At the same time, the restaurant has switched from an atmosphere of fine dining to a more casual, contemporary setting. The decor is less formal but the spacious setting still provides a pleasant respite from the hustle and bustle of daily life. The menu retains its traditional favourites such as the yum som “O” or pomelo salad topped with prawns in orange cups and the yum tak rai (banana flower salad with prawns). The standard of the food is excellent. Durian lovers might want to try the glutinous rice with durian or, alternatively, the assorted Thai desserts present some pretty sweets to tempt the palate. The restaurant also features three semi-private sections divided by luxurious Thai silk curtains. B1-037-039 Suntec City. Tel: 6338 2066
